HOW TO USE THE OVEN?

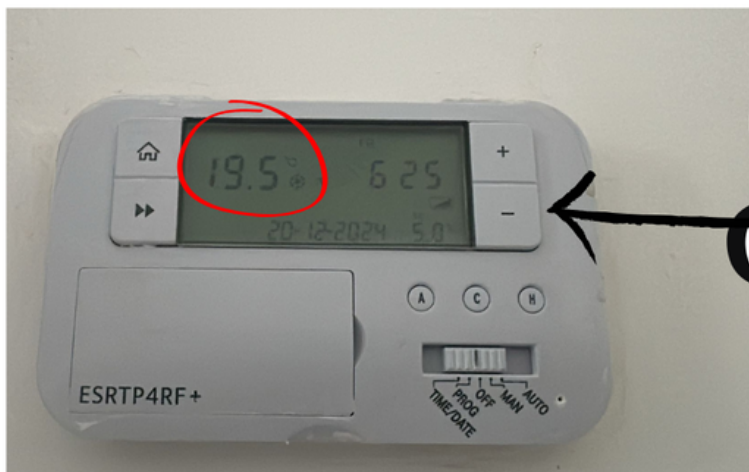

To use a gas hob, press and turn the control knob counterclockwise to ignite the burner. If the automatic igniter doesn't work, use a lighter from the drawers to manually light it.

WHERE IS THE RUBBISH BIN?

Located at the right-hand side of the property in the gated section)
The small wheelie bin is ours, so please use this bin.

HOW TO CONTROL CENTRAL HEATING?

Use the +/- signs to increase or decrease the temperature. Please allow up to 1 hour for this temperature to take full effect. We have also placed oil heaters for additional heating.
